

Regulations for Admission into Church Schools, Malta Year 6 Primary - 2014-2015

Admission at Year 6 Primary is only for scholastic year 2014-2015

Admissions Criteria

1. Applicants to be Awarded a Place

a. Children from Church Homes.

b. **Siblings in the same school, or a school of the same religious congregation**, residing in the same house and within the same family; one of the siblings must still be attending a Church school during scholastic year 2013-2014. Applicants may be registered in the same school as their sibling, or in a school run by the same religious congregation. The criterion for siblings may also apply in other years if vacancies occur.

c. **Children of Church School Employees** in the same school where the parent works, or in a school belonging to the same congregation when the school is on the same site or when there is no admission to a higher level, and when the applicants are of the same gender as that of those enrolled in the higher level. The parent should at least have been in post for one year from the beginning of the next scholastic year. This is not applicable to employees on *Full-Time Reduced Hours*.

The school which can accept children of Church School Employees in Year 6 Primary is St. Augustine College.

1.1 These criteria are hierarchically structured: children from Church Homes are admitted first, then siblings, and then children of Church School Employees.

1.2 Applications under Criteria 1a-c will be accepted if the number of these applications is not greater than the vacant places in the relevant school/s. If the number is greater, a ballot will be held amongst the applicants of each criterion according to the criteria hierarchy. With reference to siblings and when there is no vacancy, siblings may choose another school of the same religious congregation. The others are to participate in the Choice of School Ballot.

1.3 Initially some schools cannot offer placements i.e schools which feature a 0 in the 'Number of Places' column of Table in Para. 5. However, if a vacancy arises in these schools either during the Choice of School process or due to other reasons, the vacant place will be offered according to the Criteria hierarchy and/or according to the rank order established by the ballot. Henceforth, one is to apply if interested in a placement in a school which does not have vacant places (vide also Para. 14.1).

1.4 During the Choice of School process a vacancy may arise in a school for which applicants under Criteria 1a-c had not been awarded a place. In such a case, such a vacancy will be offered according to the Criteria hierarchy and according to the place resulting from the relevant ballot. For the sake of transparency, the lists of names and the order of applicants by school are published on www.thechurchinmalta.org. If a vacancy arises for which one of Criteria 1a-c can be applied, this takes precedence even over the *General Waiting List*.

2. A limited number of children considered as **Grave Humanitarian Cases**:

2.1 Children who are statemented and need the assistance of a Learning Support Assistant (L.S.A.) or similar; or who can be considered as Grave Humanitarian Cases and for whom the schools can provide an individualised educational programme (IEP).

Whoever has the assistance of an L.S.A. or similar, or has started or is about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U., or has or will have certification from an educational psychologist or similar, and which can lead to the assistance of an L.S.A. or similar, must apply as a Grave Humanitarian Case.

Those who do not apply according to the Grave Humanitarian Cases criterion are declaring that their child does not need the assistance of an L.S.A. or similar. **Consequently, if it is discovered that an applicant who has enrolled in a Church school needs the assistance of an L.S.A. or similar, he/she loses his/her place in that school.**

- 2.2 Social Cases.** The category does not cover cases, reason of which is only one of the following: children of unmarried mothers; separation in marriage; adoption; fostering.
- 2.3 Asylum seekers.** Children who themselves or their parents sought asylum when they came to Malta. Further information regarding the admission of these children in Church Schools will be given at a later stage.
- 2.4** Applicants whose application originally was not filled as a Grave Humanitarian Case, but whose case evolves as needing the support of an L.S.A., will be placed last on the relative list of Grave Humanitarian Cases. In the circumstance that more than one such case result, the sequence to be adopted when a vacant place transpires will proceed according to their ballot rank order i.e., if in the Choice of School Ballot they ranked 68th, 120th and 200th, and the last applicant on the list of those requiring a Shared LSA is ranked 10th, the 68th applicant will be ranked 11th; the 120th will be ranked 12th, and the 200th will follow as number 13. The filling of a vacant place is dictated by the ballot rank order and not by the date when Admissions Board was informed.
- 2.5** The Regulations that govern admission of Grave Humanitarian Cases into Church Schools are being published as a separate document, entitled: "Regulations for Admission into Church Schools, Malta 2014-2015 – Grave Humanitarian Cases". The Regulations for **Grave Humanitarian Cases** form part of these same Regulations. This document is available from the website www.thechurchinmalta.org

3. Other Applicants: to be drawn by ballot.

- 3.1** Siblings may apply as Other Applicants for admission into the same Year (e.g. twins), or different Years. If the elder sibling is awarded a place, the younger sibling will also be awarded a place as per Siblings criterion (para. 1b). Therefore, on the Application Form, each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply.
- 4.** Eligibility: Applicants born in the year 2004 and currently in Year 5 Primary. The Board will consider requests for exemptions from applicants who are a year older. These requests are to be addressed to the Secretary as indicated in Para. 21.

Choice of School Ballot - Thursday, 3rd April 2014

11. By this ballot, a Rank Order will be established so as to determine the procedure for the actual Choice of School: the applicant drawn first will be entitled to choose first; etc. Other Applicants (Para. 3) will participate in the Choice of School Ballot. The Rank Order established by the Choice of School Ballot also serves as the general *waiting list*.
12. The total number of places in Church Schools to be awarded by the Choice of School Ballot will be the total number of remaining places **AFTER** the number of places awarded under the Criteria of Children in Church Homes, Siblings, Employees, Grave Humanitarian Cases (Para. 1 a-c, 2), and siblings applying this year (Para. 3.1) is deducted from the total number of places available in all of the schools together (75, Para. 5).

13. The Choice of School Ballot will be held on 3rd April 2014, at St Augustine College, Pieta` Tel. 21246613 at 4.30 p.m.
- 13.1 In the eventuality that an applicant's name is not included in the ballot, the Church Schools Admissions Board will hold another ballot as explained hereafter. Three groups of numbers will be presented: two groups with numbers from 0 to 9, and another group with numbers from 0 to the number of hundredths of applicants. These three groups of numbers represent the units, the tens and the hundreds. A number is drawn from every group. The three numbers will establish the applicant's number. The probability stands that another applicant will already have the same number. If it evolves that these two applicants are in the chance of choosing a place and only one place is available, a ballot will be drawn for them to determine who will be awarded the place in question.
- 13.2 The results of the Choice of School Ballot will be published on the Curia website: www.thechurchinmalta.org . The application number, name and surname and the respective placing on the rank order will be published.
14. **Those concerned will receive this result by post at home**, and will be reminded of the details for the actual Choice of School (Para. 15). They will also be informed about the number of vacancies available in each school. **No information will be given over the phone.**
- 14.1 **Together with this notification, the 'Schools Order of Preference Form' will also be sent. Parents are instructed to indicate their order of preference of schools by writing a number next to each school**, the digit 1 being the highest preference and so on. Preference is also to be indicated with regards to schools which feature a 0 in the 'Number of Places' column of Table in Para. 5, if the parents are interested in the same schools (vide Para. 1.3). Parents are to hand in this Form during the Choice of School exercise.

Choice of School

15. The Choice of School will be made at St Augustine College, Pieta` Tel. 21246613 on:

-----------------------	--------------------------	-----------

*ZZZ represents the number established in Para. 12

16. Latecomers will still retain their right to effect choice of school according to their Rank Order. However, choices already made will stand. Therefore, applicants who have ranked in the Choice of School should be present as explained above.
17. Parents are to hand in the 'Schools Order of Preference Form' during the Choice of School (Para. 14.1).
- 17.1 Parents may choose their preferred school as long as vacant places are available.
- 17.2 Parents may choose an alternative school once the vacant places in a particular school of their preference are filled up.
- 17.3 Parents may even opt not to register their son in any school without losing their place on the rank order as established by the Choice of School Ballot Para.11.
- 17.4 If a vacancy arises in any of the participating schools, it is offered according to the Admissions Criteria hierarchy, and/or to the highest ranking applicant, according to the Choice of School Ballot, who had preferred that school but could not choose it. When processing the 'Schools Order of Preference Form', only schools indicated by parent as having higher preference than the applicant's school of enrollment will be taken into consideration. The parent's indication of schools having a lower preference than the applicant's school of enrollment will not be considered.
- 17.5 If vacancies remain once this process has been concluded, the next applicant on the list will be called. He/she will also be asked to fill the 'Schools Order of Preference Form'.
18. The rank order established through the Choice of School Ballot serves as the general waiting list and remains active till 30th June 2015.
