## Regulations for Admission into Church Schools, Malta Kindergarten 2 - 2019-2020 Applicants born in 2015

### ADMISSIONS CRITERIA

#### 1. CRITERIA 1:

##### a. Children from Church Homes.

##### b. Church School Employees or Employees of the Secretariat for Catholic Education may register their children in the same school where the parent works, or in a school of the same religious entity. Reference to this criterion will hereafter be “children of employees in the same school.”

Employees of the Secretariat for Catholic Education, who may register their children in the same school where they work, are the Curriculum Heads of Departments who teach at a particular school three times a week.

The parent should at least have been in post for one year from the beginning of the next scholastic year and has to still be *full-time* employed with the school at the beginning of the next scholastic year. This is not applicable to those employed long-term on *Full-Time Reduced Hours*.

Children of employees at the following schools may be registered in the same school where the parent works, or in a school of the same religious entity, if the schools have vacant places (vide Para. 1.4):

**Girls:** St. Dorothy Żebbuġ, St. Dorothy Sliema, St. Joseph Blata I-Bajda, St. Joseph Paola, St. Joseph Sliema, St. Monica B’Kara, St. Monica Gżira, St. Monica Mosta, St. Jeanne Antide College Primary School Gudja, and St. Jeanne Antide College Immaculate Conception Secondary School Tarxien.

**Boys and Girls:** St. Aloysius College, St. Angela Lija, Msida, Rabat, Sliema and Żabbar, St. Francis B’Kara, Cospicua, Imsida, Luqa, San Ġwann, St. Paul’s Bay, Siġġiewi and Sliema, Theresa Nuzzo Hamrun and Marsa.

##### ċ. Children whose siblings are attending a Church School during scholastic year 2018-2019 may be registered in the same school as their sibling/s or in a school of the same religious entity. This is not applicable to the siblings of Sixth Form students at St. Aloysius College Birkirkara. The use of the word Sibling stands for children who are residing in the same house and form part of the same family. This also applies to other siblings when they live with the family for a number of days. In such cases, one is to present the relevant documents. The siblings’ criterion includes the children adopted or in foster care by the family, as siblings within the same family. The Siblings Criterion may also apply in other years if there are vacancies.

In a school for girls only, the Siblings Criterion will not apply if the applicant is a boy, and vice-versa. In this case, the applicant may apply under the Other Applicants Criterion (Para. 3).

##### d. Children attending a Church School who wish to be transferred to another Church School of the same religious entity. This applies to St. Angela Schools and to St. Francis Schools.

##### e. Exemption from Regular Attendance in case family is abroad for serious reasons. The admission of children who were exempted from attending the Church school they were registered in as their parents were going to be abroad for a serious reason. These children attend the school chosen during the process of entry of the previous year.

##### f. Children from Church Schools without Continuity. This criterion applies for year one primary and form one secondary. It is not applicable at this level of entry.

**ġ Children of Church School Employees or Employees of the Secretariat for Catholic Education who cannot attend the same school where the parent works.** Reference to this criterion will hereafter be “**children of employees in another school**”.

The parent should at least have been in post for one year from the beginning of the next scholastic year and has to still be *full-time* employed with the school at the beginning of the next scholastic year. This is not applicable to those employed long-term on *Full-Time Reduced Hours*.

Schools accepting boys and girls (St. Aloysius Primary School, St. Angela, St. Francis and Theresa Nuzzo), already accept their employees’ children and also siblings. Consequently, the remaining vacant places at these Schools are offered to Other Applicants (Criterion 3).

Children of employees in another school may apply under Criterion 1ġ and participate in the Choice of School Ballot. According to the rank order established by the ballot, they would choose a school for their daughter from the following:

St. Dorothy Żebbuġ, St. Dorothy Sliema, St. Joseph Blata l-Bajda, St. Joseph Paola, St. Joseph Sliema, St. Monica Gżira, St. Monica Mosta, and St. Jeanne Antide College Primary School Gudja.

An application has to be filled under Other Applicants Criterion 3 if these employees wish to register their daughters in one of the schools mentioned above and in the schools listed hereunder:

St. Aloysius Primary, St. Angela Lija, Msida, Rabat, Sliema and Żabbar, St. Francis Luqa, San Ġwann, St. Paul’s Bay and Siġġiewi, and Theresa Nuzzo Hamrun.

**For daughters of employees in another school one is to choose if to apply under Criterion 1ġ and participate in the Choice of School Ballot but with restricted choice of schools, or apply under Criterion 3 Other Applicants and take part in the Participation Ballot. If they proceed to the Choice of School Ballot, they would make their choice by rank order from all the schools.**

- 1.1 Criteria 1a–1e are hierarchically structured: children who were exempted from attendance are admitted first, then children from Church Homes, followed by children of employees in the same school, then siblings, and then those requesting a transfer.
- 1.2 Applicants under Criteria 1a-1e will be accepted if the number of applications is not greater than the vacant places in the relevant school/s. If the number of applicants is greater, children who were exempted from attendance are admitted first, then the children from Church Homes followed by children of employees in the same school, then the applicants whose siblings are going to be in the same Church school, then applicants whose siblings are going to be in a school of the same religious entity, and then transfers. A ballot takes place amongst the applicants of a group when the number of applicants in that group is greater than the number of places.
- 1.3 For the sake of transparency, the lists of names and criteria of applicants by school are published on [www.thechurchinmalta.org](http://www.thechurchinmalta.org)
- 1.4 Initially some schools cannot offer placements i.e schools which feature a 0 in the ‘Number of Places’ column of Table in Para. 6. However a vacancy may arise in these schools either during the Choice of School process or due to other reasons. The vacated place will be offered according to the Criteria Hierarchy and/or according to the rank order established by the ballot. Henceforth, one is to apply if interested in a placement in a school which does not have vacant places (see also Para. 20.4).
- 1.5 During the Choice of School process a vacancy may arise in a school for which applicants under Criteria 1a-1d had not been awarded a place. In this case, such a vacancy will be offered according to the criteria hierarchy and relevant rank order.  
If a vacancy arises for which one of Criteria 1a-1d may be applied, this takes precedence even over the General *Waiting List*.

## 2. CRITERIA 2 – SERIOUS CASES:

**A number of children needing the assistance of an L.S.E., children considered as social cases and refugee cases are accepted.**

2.1 The Regulations that govern admission in Church Schools of Serious Cases and of children who themselves or their parents sought asylum when they came to Malta, are being published as separate documents, entitled: *Regulations for Admission into Church Schools, Malta 2019-2020 – Serious Cases* and *Church Schools Entry 2019-2020 Regulations for Asylum Seekers*, respectively. The Regulations for Serious Cases and for Asylum Seekers form part of these same Regulations. These documents are available on [www.thechurchinmalta.org](http://www.thechurchinmalta.org)

2.2 The Regulations provide for the entry of:

- **Serious cases of Criteria 1** i.e. Serious cases of children from Church Homes, children of employees in the same school, siblings, transfers, exempted from attendance, children from Church Schools without Continuity, and children of employees in another school.
- **Serious cases of Criteria 3** i.e. Serious cases of Other Applicants.

2.3 **Children who need the assistance of an L.S.E.** – This Criterion includes children who:

- are statemented and need the assistance of a Learning Support Educator (L.S.E.) or similar, and for whom the schools can provide an individualised educational programme (IEP).
- have started or are about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U.
- have or will have certification from an educational psychologist or similar, which can lead to the assistance of an L.S.E. or similar.
- are applying for entry in kinder one and whose autism screening resulted in the possible requirement of L.S.E. support.

Relevant documents are to be submitted with the application.

2.4 Children who already have a statement of needs and who by application day have requested its review or appealed the Statementing Board's decision must apply as a Serious Case. The Commission of Serious Cases studies and takes decisions regarding such cases.

2.5 A request may be presented to the Admissions Board when an applicant with a statement and supported by an L.S.E. has registered progress and the parents, the school and the psychologist deem that he may advance without assistance even when the process at the Statementing Board to terminate the support has not yet been completed. The Admissions Board is to receive all relevant documentation so that it will be able to determine if the application is to proceed in mainstream or as a serious case.

2.6 Applications in mainstream have to be filled for children with a statement of needs reading '*Learner's needs to be met by Class Teacher*'. The application is to include the Statementing document issued by the Statementing Moderating Panel and the most recent psycho-educational report.

2.7 Applicants who fail to apply as indicated above and are registered in a Church School, will lose their right of enrollment in the Church School.

2.8 **Social Cases.** The category does not cover cases which are presented with only one of the following reasons: children of unmarried mothers; separation in marriage; adoption; fostering. Children under *Care Order* fall in this category. Also see Criteria 1c regarding adopted and fostered children.

2.9 **Asylum seekers.** Children who themselves or their parents sought asylum when they came to Malta. A small number of places in Church Schools is being allocated to these children.

2.10 Asylum seekers who need the assistance of an L.S.E. as described in Para. 2.3 must apply according to the Regulations for Serious Cases as Other Applicants or according to the case itself.

2.11 Applicants for whom an application was not originally filled as a Serious Case, but result as requiring the support of an L.S.E., will be placed in the relevant category of applicants and a ballot will be drawn as explained hereafter. Two groups of numbers will be presented: one group with numbers from 0 to 9,

and another group with numbers from 0 to the number of tens of applicants. These two groups of numbers represent the units and the tens. A number is drawn from each group. The two numbers that are drawn will make up the applicant's number. It is probable that another applicant will already have the same number. If it evolves that these two applicants are in the chance of choosing a place and only one place is available, a ballot will be drawn for them to determine who will be awarded the place in question. This process does not cancel the choices already made.

### **3. CRITERIA 3 – OTHER APPLICANTS**

**3.1** Amongst Other Applicants there may be siblings who are applying for the same year of entry (twins) or other years of entry. If the elder sibling or one of the twins is awarded a place, the younger sibling will also be awarded a place as per Siblings criterion, if a vacant place is available.

This also applies to Serious Cases if the possibility exists. Serious Case applicants of Criteria 1 are enrolled first. If the School has a vacant place for Shared L.S.E. and the applicant requires a Full-Time L.S.E., the School would be unable to accept the applicant in that particular case.

On the Application Form, each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply. This also applies for Girls.

### **4. SUBMISSION OF MORE THAN ONE APPLICATION**

**4.1** Only one application is to be submitted when applying under the Criterion of Children from Church Homes (Crit. 1a).

**4.2** Applicants under the Criterion of children of employees in the same school (Crit. 1b) may also apply under the Criterion of Other Applicants (Crit. 3) but not under the Criterion of children of employees in another school (Crit. 1g). It is necessary that on the Application Forms one declares that one is applying under both Criteria. In the absence of this declaration, the Criterion would not apply.

**4.3** Applicants under the Siblings' Criterion (Crit. 1c) may also apply under the Criterion of Other Applicants (Crit. 3). Applicants whose elder sibling already attends a Church School but who wish to attend a different Church School may do so without forfeiting their right to register in the school of the other sibling. In this case, they may apply both under the Siblings' Criterion (Para. 1c) and also as Other Applicants (Para. 3 and 9) or any other Criterion. It is necessary that on the Application Forms one declares that one is applying under both Criteria. In the absence of this declaration, the Criterion would not apply.

**4.4** Applicants under the Transfers Criterion (Crit. 1d) may also apply under the Criterion of Other Applicants (Crit. 3).

**4.5** Applicants under the Criterion of Exemption from attendance (Crit. 1e) may also apply under the Criterion of Other Applicants (Crit. 3).

**4.6** Female applicants under the Criterion of children of employees in another school (Crit. 1g) have to choose to either apply under Criterion 1g and participate in the Choice of School Ballot or apply under Criterion 3 Other Applicants and take part in the Participation Ballot.

**4.7** The situation might present itself whereby an applicant would be able to submit an application both under the Criterion of children of employees in the same school (Crit. 1b) and also under the Siblings' Criterion (Crit. 1c). In this case one may also apply as Other Applicants (Crit. 3).

**4.8** Applicants from a Church School with both a Kinder and Primary Level, but who wish to attend a different Church School may do so without forfeiting their place in the school where they are currently registered. In this case, they may apply as Other Applicants (Para. 3 and 9).

**4.9** Applicants under Serious Cases are not to apply under another Criterion. If the Church Schools Admissions Board concludes that the application is not to proceed under serious cases, it will be placed under the relative criterion – view the Regulations for Serious Cases Para. 11.

**4.10** Applicants who may submit more than one application will be asked to make their final choice of school (either their current school or the new one) on the Choice of School day.

**5. APPLICANTS' YEAR OF BIRTH – Eligible applicants have to be born in 2015.**

The Board will consider requests for exemptions from this Regulation in the light of specific reasons, including cases where applicants would have repeated a year. These requests, together with relevant documents and other information requested by the Board, are to be addressed in writing to the Church Schools Admissions Board as indicated in Para. 24, not later than fifteen days from application dates. The Church Schools Admissions Board decides if the exemption request should be granted.

Latecomers will still retain their right to effect choice of school according to their Rank Order. However, choices already made will stand.

- 19.1 It is the parents' responsibility to be present for the choice of school or to authorise someone else to be present in their stead. When the parents are absent for the choice of school due to an emergency, the Admissions Board may try to reach the applicant's parents and if necessary register the applicant on their behalf, in the school of their choice where vacant places are still available. If this procedure is not adopted, this cannot be interpreted as a shortcoming on the part of the Admissions Board. It would be beneficial if during the Choice of School, parents who opt not to send their child to a Church School inform the Admissions Board of their decision.

20. Parents may choose their preferred school as long as vacant places are available.

- 20.1 Parents may choose an alternative school, once their preferred school is filled up, by filling the 'Schools Preference Form' as indicated in Para. 20.4. They may even inform us of their preferred school.

- 20.2 Parents may even opt not to register their son/ daughter and indicate their preferred school by filling the 'Schools Preference Form' as indicated in Para 20.4, without losing their place on the rank order as established by the Choice of School Ballot Para.13.2.

- 20.3 The 'Schools Preference Forms' are used when a place is vacated. This is offered according to the Admissions Criteria Hierarchy, and/or to the highest ranking applicant in the Choice of School Ballot who had preferred that school but could not choose it.

- 20.4 Parents indicate their order of school preference by writing a number next to the name of five schools, the digit 1 being the highest preference and so on. Parents interested in schools which have no vacancies, and which in the Schools Table of Para 6 have a 0 in the Number of places column, can indicate their preference as well.

When processing the 'Schools Preference Form', the only schools taken into consideration will be those indicated by the parent as having a higher preference than the applicant's school of enrollment. The parent's indication of schools with a lower preference than the applicant's school of enrollment will not be considered.

- 20.5 If vacancies remain once this process has been concluded, the next applicant on the list will be called. He/she will also be asked to fill the 'Schools Preference Form'.

- 20.6 In certain schools, the school attendance of applicants who fill a vacated place after the beginning of the scholastic year might be postponed to the next scholastic year.

21. The rank order established through the Choice of School Ballot serves as the general waiting list and remains active till 30th June 2020 for admission in year two kindergarten for scholastic year 2019-2020.
