

Regulations for Admission into Church Schools, Malta 2019-2020 Regulations Serious Cases

These Regulations form part of the Regulations for Admission into Church Schools Malta

1. SERIOUS CASES

A number of children needing the assistance of an L.S.E., children considered as social cases and refugee cases are accepted as Serious Cases.

1.1 Children who need the assistance of an L.S.E. – This Criterion includes children who:

- are statemented and need the assistance of a Learning Support Educator (L.S.E.) or similar, and for whom the schools can provide an individualised educational programme (IEP).
- have started or are about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U.
- have or will have certification from an educational psychologist or similar, which can lead to the assistance of an L.S.E. or similar.
- are applying for entry in kinder one and whose autism screening resulted in the possible requirement of L.S.E. support.

Relevant documents are to be submitted with the application.

1.2 Children who already have a statement of needs and who by application day have requested its review or appealed the Board's decision must apply as a Serious Case. The Commission of Serious Cases studies and takes decisions regarding such cases.

1.3 A request may be presented to the Admissions Board when an applicant with a statement and supported by an L.S.E. has registered progress and the parents, the school and the psychologist deem that s/he may advance without assistance even when the process at the Statementing Board to terminate the support has not yet been completed. The Admissions Board is to receive all relevant documentation so that it will be able to determine if the application is to proceed in mainstream or as a serious case.

1.4 Applications in mainstream have to be filled for children with a statement of needs reading '*Learner's needs to be met by Class Teacher*'. The application is to include the Statementing document issued by the Statementing Moderating Panel and the most recent psycho-educational report.

1.5 Applicants who fail to apply as indicated above and are registered in a Church School, will lose their place in the Church School.

1.6 **Social Cases.** This category does not cover cases which are presented with only one of the following reasons: children of unmarried mothers; separation in marriage; adoption; fostering. Children under *Care Order* fall in this category. Also see Criteria 1c regarding adopted and fostered children.

1.7 **Asylum Seekers.** The Regulations that govern admission in Church Schools of children who themselves or their parents sought asylum when they came to Malta, are being published in a separate document entitled: *Church Schools Admissions 2019-2020 Regulations for Asylum Seekers*. The Regulations for Asylum Seekers form part of these same Regulations. These documents are available on www.thechurchinmalta.org

Asylum seekers who need the assistance of an L.S.E. as described in Para. 1.1, must apply according to the Regulations for Serious Cases as Other Applicants or as to the case may be.

1.8 Applicants for whom an application was not originally filled as a Serious Case, but result as requiring the support of an L.S.E., will be placed in the relevant category of applicants and a ballot will be drawn as explained hereafter. Two groups of numbers will be presented: one group with numbers from 0 to 9, and another group with numbers from 0 to the number of tens of applicants. These two groups of numbers represent the units and the tens. A number is drawn from each group. The two numbers that are drawn will make up the applicant's number. It is probable that another applicant will already have the same number. If it evolves that these two applicants are in the chance of choosing a place and only one place is available, a ballot will be drawn for them to determine who will be awarded the place in question. This process does not cancel choices already made.

2. Serious Cases fall under:

- **Criteria 1** i.e. Serious cases children from Church Homes, children of employees in the same school, siblings, transfers, exempted from attendance, children from Church Schools without Continuity, and children of employees in another school.
- **Criteria 3** i.e. Serious cases Other Applicants.

2.1 SERIOUS CASES CRITERIA 1

1a. Children from Church Homes.

1b. **Church School Employees or Employees of the Secretariat for Catholic Education may register their children in the same school where the parent works**, or in a school of the same religious entity. Since the Archbishop's Seminary and the Sacred Heart College are schools of the same religious entity, employees at The Archbishop's Seminary may register their daughters at the Sacred Heart College and vice versa, employees at the Sacred Heart College may register their sons at The Archbishop's Seminary. Reference to this criterion will hereafter be "**children of employees in the same school**".

Curriculum Heads of Departments of the Secretariat for Catholic Education may register their children in the same school where they teach three times a week.

The parent should at least have been in post for one year from the beginning of the next scholastic year and has to still be *full-time* employed with the school at the beginning of the next scholastic year.

This is not applicable to those employed long-term on *Full-Time Reduced Hours*.

Children of employees at the following schools may be registered in the same school where the parent works, or in a school of the same religious entity, if the schools have vacant places:

Boys: De La Salle, St. Albert Secondary School, St. Aloysius Secondary School, St. Augustine, St. Benild, St. Elias, St. Michael, St. Paul's Missionary College, Savio College, Stella Maris College and The Seminary. Employees at the Sacred Heart College may register their sons at the Archbishop's Seminary.

Girls: Our Lady Immaculate, St. Dorothy Żebbuġ, St. Dorothy Sliema, St. Joseph Blata l-Bajda, St. Joseph Paola, St. Joseph Sliema, St. Monica Birkirkara, St. Monica Gżira, St. Monica Mosta, St. Jeanne Antide College Primary School Gudja, St. Jeanne Antide College Immaculate Conception Secondary School Tarxien, and the Sacred Heart College. 1c. **Children whose siblings are attending a Church School during scholastic year 2018-2019** may be registered in the same school as their sibling/s or in a school of the same religious entity. This is not applicable to the siblings of Sixth Form students at St. Aloysius College Birkirkara. Since the Archbishop's Seminary and the Sacred Heart College are schools of the same religious entity, girls whose brothers attend The Archbishop's Seminary may be registered at the Sacred Heart College and vice versa, boys whose sisters attend the Sacred Heart College may be registered at The Archbishop's Seminary.

The use of the word Sibling stands for children who are residing in the same house and form part of the same family. This also applies to other siblings when they live with the family for a number of days. In such

cases, one is to present the relevant documents. The siblings' criterion includes the children adopted or in foster care by the family, as siblings within the same family. The Siblings Criterion may also apply in other years if there are vacancies (vide Para. 3.1).

In a school for girls only, the Siblings Criterion will not apply if the applicant is a boy, and vice-versa. In this case, the applicant may apply under the Other Applicants Criterion (Para. 3).

- 1d. **Children attending a Church School who wish to be transferred to another Church School** of the same religious entity. This applies between the Schools of St. Angela, St. Francis, St. Dorothy, St. Joseph and between De la Salle and Stella Maris College Gżira. This also applies between the Schools of St. Monica Mosta and B'Kara when the sibling already attends St. Monica B'Kara or when the parent is employed at St. Monica B'Kara.
- 1e. **Exemption from Regular Attendance in case the family is abroad for serious reasons.** The admission of children who were exempted from attending the Church School they were registered in as their parents were going to be abroad for a serious reason. These children attend the school chosen during the process of entry of the previous year.
- 1f. **Children of Church Schools without Continuity**, from year two kindergarten to year one primary or from year six primary to form one secondary.
- 1g. **Children of Church School Employees or of Employees of the Secretariat for Catholic Education who cannot attend the same school where the parent works.** Reference to this criterion will hereafter be “**children of employees in another school**”.

The parent should at least have been in post for one year from the beginning of the next scholastic year and has to still be *full-time* employed with the school at the beginning of the next scholastic year. This is not applicable to those employed long-term on *Full-Time Reduced Hours*.

Schools accepting boys and girls (St. Aloysius Primary School, St. Albert Primary School, St. Angela, St. Francis and Theresa Nuzzo), the Sacred Heart College (Girls' School accepting the sisters of students at the Archbishop's Seminary) and the Archbishop's Seminary (Boys' School accepting the brothers of students at the Sacred Heart College), already accept their employees' children and also siblings.

Children of employees in another school may apply under Criterion 1g and participate in the process of Church Schools Entry as indicated in Paras. 2.3, 2.4 and 2.5.

- 2.2 **For year one kindergarten, and year two kindergarten boys** the admission of children requiring support is hierarchically structured: children from Church Homes are admitted first, followed by children of employees in the same school, then the applicants whose siblings are going to be in the same Church school, then applicants whose siblings are going to be in a school of the same religious entity, and finally those requesting a transfer. As indicated in Para. 12, every group of applicants is further sub-divided in different groups according to the level of support required. A ballot is held amongst the applicants of a group when the number of applicants in that group is greater than the number of places available.
- 2.3 **For year two kindergarten girls** the admission of children requiring support is hierarchically structured accordingly: children who were exempted from attendance are admitted first, then children from Church Homes, followed by children of employees in the same school, then the applicants whose siblings are going to be in the same Church school, then applicants whose siblings are going to be in a school of the same religious entity, those requesting a transfer, followed by children of employees in another school. As indicated in Para. 12, every group of applicants is further sub-divided in different groups according to the level of support required. A ballot is held amongst the applicants of a group when the number of applicants in that group is greater than the number of places available.
- 2.4 **For year one primary** the admission of children requiring support is hierarchically structured accordingly: children who were exempted from attendance are admitted first, then children from Church Homes, followed by children of employees in the same school, then siblings, those requesting a transfer, then children from Church Schools without Continuity, followed by children of employees in another school. As indicated in Para. 12, every group of applicants is further sub-divided in different groups according to the level of support required. A ballot is held amongst the applicants of a group when the number of applicants in that group is greater than the number of places available.

- 2.5 For form one secondary** the admission of children requiring support is hierarchically structured: children from Church Schools without Continuity are admitted first, then children from Church Homes, followed by children of employees in the same school, then siblings, then those requesting a transfer, followed by children of employees in another school. As indicated in Para. 12, every group of applicants is further subdivided in different groups according to the level of support required. A ballot is held amongst the applicants of a group when the number of applicants in that group is greater than the number of places available.
- 2.6 Social Cases** are considered as indicated in Paragraphs 2.2, 2.3, 2.4 and 2.5.

3. SERIOUS CASES CRITERIA 3 – OTHER APPLICANTS

The Commission for Serious Cases will receive requests from Other Applicants IF places for children considered as Serious Cases are still available, after the registration of applicants of Criteria 1. In recent years the availability of places was very limited due to the large number of Serious Case applicants of Criteria 1.

- 3.1** Amongst Other Applicants there may be siblings who are applying for the same year of entry (twins) or other years of entry. According to the Siblings criterion, if the elder sibling is awarded a place, the younger sibling will also be awarded a place if a vacant place is available after the enrollment of Serious Case applicants of Criteria 1. These cases take precedence over the result established by the ballot mentioned in Para 15.1.

If the School has a vacant place for Shared L.S.E. and the applicant requires a Full-Time L.S.E., the School would be unable to accept the applicant in that particular case.

On the Application Form, each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply.

4. APPLICANTS' YEAR OF BIRTH

The applicant's year of birth has to be in line with the indication given hereunder:

For entry in form one secondary, the year of birth is 2008
 year one primary, the year of birth is 2014
 year two kindergarten, the year of birth is 2015
 year one kindergarten, the year of birth is 2016.

- 4.1** The Board will consider requests for exemption from this Regulation in the light of specific reasons, including cases where applicants would have repeated a year. These requests are to be addressed in writing not later than fifteen days from application dates.

Parents/ guardians are to write to the Church Schools Admissions Board as indicated in Para. 20 and present the relevant documents requested by the Board. The Church Schools Admissions Board decides if the exemption request should be granted.
