* The mother of Jamie Micallef Degabriele, application no. 1893, rank 125, had originally chosen De la Salle College. However soon after she called and informed us that she wished to change the school chosen from De la Salle College to Stella Maris College. As places at Stella Maris College were still available the change was affected.

The resultant vacant place available at De la Salle College was offered to the applicants who could not choose De la Salle College according to the rank order. Rank 130, Thomas Borg, decided to accept De la Salle College and returned Stella Maris College.

The place at Stella Maris College was subsequently offered to the applicants who could not choose Stella Maris College according to the rank order. Rank 153, Liam Gatt, decided to accept Stella Maris College and returned St Elias College.

The place at St Elias College was subsequently offered to the applicants who could not choose St Elias College according to the rank order. Rank 175, Gabriel Camilleri, decided to accept St Elias College and returned St Albert the Great College.

The place at St Albert College will now be offered to the applicant, who ranked 76 in the Participation Ballot. If the place is not accepted it will be offered to subsequent applicants.
