

This report is updated from time to time. The latest version supersedes all previous versions from the date of the report.

When a student vacancy arises in a school that vacant post is offered to those who prefer that school. It is offered according to the criteria hierarchy and rank order.

The first group of applicants, Pending Availability, may include children of St Francis schools who could not choose their preferred school (1D); children of employees (1B); and siblings (1C) whose school had no vacancies and siblings who are eligible for a school because their sibling this year registered in that school or a school of that religious entity (Regulation 3.1). There might also be applicants who applied under criterion (1H 1B) or (1H 1C), applied late under the employee or sibling criterion respectively. As per Regulations these applicants take first preference. Some of these applicants are also found in the second group as they applied as "Other Applicants".

The second group is made up of applicants who were offered a school but prefer another school. They are ranked as per ballot result. Not all applicants have sent their preferred schools. They will be included in future versions of this report.
