* Two of the applicants have siblings in a Church School and attend in a School without Continuity. Therefore, they took part in the Choice of School ballot. They will be asked to decide if they will continue with the siblings criterion or the school without continuity criterion. If they decide to continue with the siblings criterion then they will not choose a school when it is their turn to choose according to their ranking. If they decide they will continue with the school without continuity criterion then they will renounce the place they occupy under the siblings criterion.

** We have 3 sets of applicants who took part in the Choice of School ballot who are twins. Therefore, the twin, from each set, who did not take part in the ballot will be enrolled at the same school as his brother according to criterion 3.1. We also have 2 siblings whose siblings ranked well in the form 1 ballot for boys, therefore we need to reserve them a place. If the choice for the older sibling goes to a school with admission and availability in first year primary then the siblings are admitted in the same school.

You can contact us on 2203 9360 from Monday to Friday between 7:30 a.m. to 3:30 pm or by email on:
