* An applicant applied under the employees criterion and school without continuity. Another applicant applied under the siblings criterion and school without continuity.

These applicants are occupying a place under the Employees and Siblings criterion, respectively and took part in the Choice of School Ballot under the criteria Schools without Continuity. Hence when they come to choose a school, they need to decide whether to keep the place they are already registered in or choose a school according to the rank established in the ballot.

**We had 2 applicants who will be written at the same school as their sibling with the 3.1 criterion - siblings applying in the same year. One of the siblings has a twin sister while the other is a twin with a boy. They did not participate in the ballot and will be offered the same school as their siblings.

You can contact us on 2203 9360 from Monday to Friday between 7:30 a.m to 3:30 pm or by email on:
