

Regulations for Admission into Church Schools, Malta 2025-2026 Regulations Serious Cases

*These Regulations form part of the Regulations for Admission into Church Schools
Malta*

1.0 SERIOUS CASES

A number of children needing the assistance of an L.S.E., children considered as social cases and asylum seekers cases are accepted as Serious Cases.

1.1 Children who need the assistance of an L.S.E. – This Criterion includes children who:

- are statemented and need the assistance of a Learning Support Educator (L.S.E.) or similar, and for whom the schools can provide an individualised educational programme (IEP).
- have started or are about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U.
- have or will have certification from an educational psychologist or similar, which can lead to the assistance of an L.S.E. or similar.
- are applying for entry in kinder one and whose autism screening resulted in the possible requirement of L.S.E. support.

Relevant documents are to be submitted with the application.

1.2 Children who already have a statement of needs and who by application day have requested its review or appealed the Board's decision must apply as a Serious Case. The Commission of Serious Cases studies and takes decisions regarding such cases.

1.3 When an applicant already has a statement of needs and is supported by an L.S.E. but has registered progress and the parents / custodians, the school and the educational psychologist deem that s / he may advance without the assistance of an LSE and have submitted a request to the Statementing Moderating Panel for the removal of the L.S.E. by the **31st October 2024, the applicant initially needs to apply as mainstream and needs to present the request for the removal of the L.S.E. and other relevant documents.**

The Admissions Board will determine if the application is to proceed in mainstream or as a serious case.

1.4 In case of awareness that the student for whom the application is being made is undergoing an assessment that may lead to the support by an L.S.E., and this had not been declared in the application, and / or before registration, the application and/or registration will be invalidated.

1.5 Applications in mainstream have to be filled for children with a statement of needs reading '*Learner's needs to be met by Class Teacher*'. The application is to **include the Statementing document issued by the Statementing Moderating Panel and the most recent psycho-educational report.**

1.6 Applicants who have allergies and / or might need to use an Epi-Pen but do not need the support of an LSE are to apply under mainstream. On the application, the parents / custodians of these applicants are **obliged to present the latest medical reports accordingly.**

1.7 It is very important that if circumstances change after the application or registration phase, the Admissions Office needs to be notified. This applies if applicant start process at CDAU, psychologist or medical conditions such as diabetes, epilepsy, etc, are developed or if there is change in the support given or if given the support of an L.S.E. (see paragraph 1.9).

1.8 Applicants who fail to apply as indicated above and are registered in a Church School, will lose their place in the Church School.

1.9 Applicants for whom an application was not originally filled as a Serious Case, but start assessment by an educational psychologist or similar which might result in the support of an L.S.E., need to inform the Admissions Office immediately and ideally before the ballots. These will be placed in the relevant category of applicants and a ballot will be drawn as explained hereafter. Two groups of numbers will be presented: one group with numbers from 0 to 9, and another group with numbers from 0 to the number of tens of applicants. These two groups of numbers represent the units and the tens. A number is drawn from each

group. The two numbers that are drawn will make up the applicant's number. It is probable that another applicant will already have the same number. If it evolves that these two applicants are in the chance of choosing a place and only one place is available, a ballot will be drawn for them to determine who will be awarded the place in question. This process does not cancel the choices already made (see paragraph 1.7).

1.10 Social Cases. Children under *Care Order* fall in this category. Children who are under *Care Order* and live in the same house with other children under *Care Order* who attend a Church school may apply for the same Church school, if there are available places (see paragraphs 1.12 and 2i).

Social Cases applicants can be mainstream or with the support of an L.S.E. Therefore, they will be considered according to their condition.

This category does not cover cases which are presented with only one of the following reasons: children of unmarried mothers; separation in marriage; adoption; fostering. Also see Criteria 1c regarding adopted and fostered children.

1.11 Asylum Seekers. The Regulations that govern admission in Church Schools of children who themselves or their parents / custodians sought asylum when they came to Malta, are being published in a separate document entitled: *Church Schools Admissions 2025-2026 Regulations for Asylum Seekers*. The Regulations for Asylum Seekers form part of these same Regulations. These Regulations will be available on www.church.mt.

Asylum seekers who need the assistance of an L.S.E. as described in paragraph. 1.1, must apply according to the Regulations for Serious Cases as "Other Applicants" or as to the case may be.

1.12 Serious Cases fall under:

- **Criteria 1** i.e. Serious cases children from Church Homes, children of employees in the same school, siblings, transfers, exempted from attendance, children from Church Schools without Continuity, children of employees in another school and social cases of children under care order living in the same Residential Home, see paragraphs 1.10 and 2i.
- **Criteria 3** i.e. Serious cases "Other Applicants".

2.0 SERIOUS CASES CRITERIA 1

Apply with the higher criterion according to your case.

1a. Children from Church Homes.

1b. Church School Employees or Employees of the Secretariat for Catholic Education may register their children in the same school where the parent /custodian works, or in a school of the same religious entity. Since the Archbishop's Seminary and the Sacred Heart College are schools of the same religious entity, employees at The Archbishop's Seminary may register their daughters at the Sacred Heart College and vice versa, employees at the Sacred Heart College may register their sons at The Archbishop's Seminary. Reference to this criterion will hereafter be "**children of employees in the same school**".

Curriculum Heads of Departments of the Secretariat for Catholic Education may register their children in the same school where they teach three times a week.

The parent / custodian should have been employed *full-time*, latest, during the first part of the scholastic year prior to the scholastic year of admission and has to still be *full-time* employed with a church school at the beginning of the scholastic year of admission. This includes *full-time* employees who are on reduced hours temporarily and will return to *full-time* employment. This is not applicable to those employed long-term on *Full-Time Reduced Hours*.

Children of employees at the following schools may be registered in the same school where the parent / custodian works, or in a school of the same religious entity, if the schools have vacant places:

Boys: De La Salle Secondary School, St. Augustine, St. Elias, St. Michael, St. Paul's Missionary College, Savio College, Stella Maris College and The Seminary. Employees at the Sacred Heart College may register their sons at the Archbishop's Seminary.

Girls: Our Lady Immaculate, St. Dorothy Żebbuġ, St. Dorothy Sliema, St. Joseph Blata l-Bajda, St. Joseph Paola, St. Joseph Sliema, St. Monica Birkirkara, St. Monica Gżira, St. Monica Mosta, St. Jeanne Antide College Primary School Gudja, St. Jeanne Antide College Immaculate Conception Secondary School Tarxien, and the Sacred Heart College. Employees at the Archbishop's Seminary may register their daughters at the Sacred Heart College.

Boys and Girls: De La Salle Primary School, St. Albert the Great Primary and Secondary School, St. Aloysius Primary and Secondary School, St. Angela Lija, Msida, Rabat, and Żabbar, St. Benild Primary School, St. Francis Birkirkara, Cospicua, Imsida, San Ġwann, Sliema and St. Luċija, Theresa Nuzzo Hamrun and Marsa.

- 1ċ. Children whose siblings are attending a Church School during scholastic year 2024-2025 may be registered in the same school as their sibling/s or in a school of the same religious entity.** The schools of the religious entity need to be either both in Malta or else both in Gozo.

Since the Archbishop's Seminary and the Sacred Heart College are schools of the same religious entity, girls whose brothers attend The Archbishop's Seminary may be registered at the Sacred Heart College and vice versa, boys whose sisters attend the Sacred Heart College may be registered at The Archbishop's Seminary.

This is not applicable to the siblings of Sixth Form students at St. Aloysius College Birkirkara.

In a school for girls only, the Siblings Criterion will not apply if the applicant is a boy, and vice-versa. In this case, the applicant may apply under the "Other Applicants" Criterion (paragraph 3).

Eligible for this criterion:

- i. Siblings, from the same parents / custodians and who are residing in the same house and form part of the same family.
- ii. Siblings, who although have common parents / custodians, do not live in the same house or family but spend at least 20 hours a week together. For the application to be considered, one needs to submit relevant documents **and** a declaration under oath taken in front of a notary, made by both parents / custodians, indicating the number of hours the children live together in the same house.
- iii. Siblings, who have one common parent / custodian and spend at least 20 hours a week together. For the application to be considered, one needs to submit relevant documents **and** a declaration under oath taken in front of a notary, made by the people who have the care and custody of the children, indicating the number of hours the children live together in the same house.
- iv. Children who are being brought up by the same adults together and are living in the same house and family. For the application to be considered, one needs to submit relevant documents **and** a declaration under oath taken in front of a notary, stating that the adults are taking care of the children together and indicating the reasonable cause for this situation. In these cases, the Admissions Board will determine if the reasonable cause presented is justified or not.
- v. Children who are adopted or in foster care and are living with a family who have other children attending a church school. Adopted or fostered children are considered siblings to the children of the family they live with. For the application to be considered one needs to submit the Certificate from the competent agency that indicates that the child is adopted or is fostered within the family.

- 1d. Children attending a Church School who wish to be transferred to another Church School of the same religious entity.** This applies between the Schools of St. Angela, St. Francis Malta, St. Dorothy, De la Salle and Stella Maris College Gżira and the schools of St. Joseph Blata I-Bajda and Sliema. This applies also between St. Joseph Paola and St. Joseph Sliema or Blata I-Bajda when the parent / custodian is employed at St. Joseph Blata I-Bajda or Sliema or when the siblings attend St Joseph Blata I-Bajda or Sliema. It also applies between the Schools of St. Monica Mosta and Birkirkara when the parent / custodian is employed at St. Monica Birkirkara or when the sibling already attends or will be attending during the next scholastic year at St. Monica Birkirkara.

This criterion will only be available till the 2026-2027 Admissions process.

- 1e. Exemption from Regular Attendance in case the family is abroad for serious reasons.** The admission of children who were exempted from attending the Church School they were registered in as their parents / custodians were going to be abroad for a serious reason. These children attend the school chosen during the process of entry of the previous year.
- 1f. Children of Church Schools without Continuity,** from year two kindergarten to year one primary or from year six primary to form one secondary.
- 1g. Children of Church School Employees or of Employees of the Secretariat for Catholic Education who cannot attend the same school where the parent / custodian works.** Reference to this criterion will

hereafter be “**children of employees in another school**”. These will participate in the Choice of School Ballot.

The parent / custodian should have been employed *full-time*, latest, during the first part of the scholastic year prior to the scholastic year of admission and has to still be *full-time* employed with a church school at the beginning of the scholastic year of admission. This includes *full-time* employees who are on reduced hours temporarily and will return to *full-time* employment. This is not applicable to those employed long-term on *Full-Time Reduced Hours*.

The School of St Aloysius College is receiving many applications from siblings and children of employees of their own schools. Therefore, it will not accept children of employees in another school and the remaining available places will be offered to other applicants (Criteria 3).

Children of employees in another school may apply under Criterion 1g and participate in the process of Church Schools Entry as indicated in paragraphs. 2.1, 2.2, 2.3.

1h The Criterion for those who did not apply in the stipulated time and apply on the same dates of “Other Applicants” will be applied **only if circumstances permit**.

At the end of January, a circular will be published announcing the places allocated for the First Criterion. This will inform whether there are any available places for applications under Criterion 1h and Criterion 3 “Other Applicants.”

The available places will first be offered to those under Criterion 1h at the school for which they are eligible. If there aren’t enough places left for all applicants under this criterion, a ballot is held amongst them to fill the available places.

If there are enough available places for all applicants under Criterion 1h, but not for those applying under Criterion 3, a ballot is held amongst the latter applicants.

1i **Social Cases of children under Care Order** living in the same Residential Home and one of them attending a Church School. See Social Case 1.10.

2.1 **For year one kindergarten and year two kindergarten boys** the admission of children requiring support is hierarchically structured:

- First Children from Church Homes,
- Second Children of employees in the same school,
- Third Applicants whose siblings are going to be in the same Church school,
- Fourth Applicants whose siblings are going to be in a school of the same religious entity,
- Fifth Requesting a transfer.
- Sixth Children under Care Order living in the same Residential Home.

A ballot is held amongst the applicants of a criterion when the number of applicants in that criterion is greater than the number of places available. As indicated in paragraph 8.3, every criterion is further sub-divided in different groups according to the level of support required.

2.2 **For year two kindergarten girls** the admission of children requiring support is hierarchically structured accordingly:

- First Children who were exempted from attendance,
- Second Children from Church Homes,
- Third Children of employees in the same school,
- Fourth Applicants whose siblings are going to be in the same school,
- Fifth Applicants whose siblings are going to be in a school of the same religious entity,
- Sixth Those requesting a transfer,
- Seventh Children of employees in another school.
- Eighth Children under Care Order living in the same house.

A ballot is held amongst the applicants of a criterion when the number of applicants in that criterion is greater than the number of places available. As indicated in paragraph 8.3, every criterion is further sub-divided in different groups according to the level of support required.

2.3 **For year one primary and form one:** the admission of children requiring support is hierarchically structured accordingly:

- First Children from Church Schools without Continuity who reside in Church Homes;
- Second Children from Church Schools without Continuity whose parent / custodian works in a church school they are registering for;

Third	Children from Church Schools without Continuity whose siblings are in the same school they are registering for;
Fourth	Children from Church Schools without Continuity;
Fifth	Children from Church Schools without Continuity whose parent / custodian works in another church school;
Sixth	Children of employees in the same school;
Seventh	Applicants whose siblings are going to be in the same Church school;
Eighth	Children from Church Homes;
Ninth	Those requesting a transfer;
Tenth	Children of employees in another school;
Eleventh	Children under Care Order living in the same Residential Home.

After deducting the places for applicants from the first, second and third group indicated above, a calculation is carried out to check if there are more vacant places than there are applicants from the fourth and fifth group.

In the eventuality that there are more vacant places, these will first be offered to applicants under the Employee Criterion (sixth group), then to those under the Siblings Criterion (seventh group), and then to the applicants from Church Homes (eighth group), prior to the choice of school by the children from Schools Without Continuity (fourth and fifth group).

If there are more children of employees than vacant places in a certain school, a ballot is held between the children of employees of that school in order to determine who will be offered enrollment in the respective school. The same happens if there are more children from the Siblings Criterion and / or Church Homes Criterion than vacant places. A ballot is held between the applicants from Siblings Criterion and / or Church Homes Criterion to determine who will be eligible for enrollment in a Church school.

Applicants will be accepted as long as there are vacant places. A ballot is held amongst the applicants of the same criterion when these exceed the number of available places. Hence, those who rank first in the ballot will fill the places. As indicated in paragraph 8.3, every criterion is further sub-divided in different groups according to the level of support required.

2.5 Social Cases are considered as indicated in paragraphs 2.1, 2.2, 2.3.

3.0 SERIOUS CASES CRITERIA 3 - "OTHER APPLICANTS"

3.1 The Commission for Serious Cases will receive requests from "Other Applicants" IF places for children considered as Serious Cases are still available, after the registration of applicants of Criteria 1. In recent years the availability of places was very limited due to the large number of Serious Case applicants of Criteria 1.

3.2 Amongst "Other Applicants" there may be siblings who are applying for the same year of admission (twins) or other years of admission. Whenever possible siblings will be enrolled in the same school or in a school of the same religious entity. This happens when one of the siblings chooses a school. If there are not enough places for all siblings, the rank order of the one choosing the school is used.

In the case of twins, triplets etc, the child who ranks low during the ballot, is given the same ballot number of the sibling who ranked higher.

This also applies to Serious Cases if the possibility exists. Serious Case applicants of Criteria 1 are enrolled first. If the School has a vacant place for Shared L.S.E. and the applicant requires a Full-Time L.S.E., the School would be unable to accept the applicant in that particular case.

When applying each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply. This also applies for Girls.

4.0 APPLICANTS' YEAR OF BIRTH

The applicant's year of birth has to be in line with the indication given hereunder:

For entry in form one secondary, the year of birth is 2014
 year one primary, the year of birth is 2020
 year two kindergarten, the year of birth is 2021
 year one kindergarten, the year of birth is 2022

4.1 The Board will consider requests for exemption from this Regulation in the light of specific reasons, including cases where applicants would have repeated a year. These requests are to be addressed in writing not later than fifteen days from application dates.

Parents / custodians are to write to the Church Schools Admissions Board as indicated in paragraph. 17.5 and present the relevant documents requested by the Board. The Church Schools Admissions Board decides if the exemption request should be granted.

5.0 The total number of vacant places offered to Serious Cases is indicated in the Regulations of each level of Admissions. Hereunder we are indicating places offered from applicants with the support of an L.S.E, Social Cases and Asylum Seekers.

- The total number of places offered for mainstream and the total number of places offered for serious cases would not be less than the published total amount in the Mainstream Regulations.
- 5.4 The amount of vacant places decreases once the first criteria applications have been made. A circular declaring the number of places filled, will be issued before the opening of the applications for "Other Applicants".
- 5.5 When a place is vacated from any school from a student with support, the school will decide how that place is filled. This place can be offered also as mainstream.

5.6 During the registration process some applicants from a church school will choose another school. Hence they will leave a vacant place in the church school. These vacant places will be offered as per Admission Regulations. For example, a boy attending church school “x” at second year kindergarten chooses another school for year one primary. The vacant post in school “x” that was going to be occupied in year one primary will be offered according to the Year One Primary Admissions Regulations.
