

6th January 2010

**EXPRESSION ON INTEREST
PROVISION OF FOOD & BEVERAGE**

It is being planned that youths and other people taking part in the mass to be celebrated by the Pope on the Granaries on the morning of the 18th April will move to the Valletta Waterfront at the end of the celebration.

It is the wish of the Interdiocesan Committee that snacks (but not fast food) and beverages at reasonable prices be made available at a specially designated area inside the Waterfront precincts.

It is envisaged that over 10,000 people will participate in this event.

Details of the catering setup, food and beverages being offered, prices, packaging and waste gathering and disposal are to be given in the expression.

The caterer will be completely responsible for the services and goods he will offer.

Sponsorships are much appreciated and will be acknowledged in a very appropriate way.

The supplier will be required to take out full insurance cover, as and when needed.

The above does not constitute any binding commitment on the part of the Archdiocese of Malta.
