- A young people's booklet for use during the youth celebration to be held at the Valletta Waterfront on the 18th April in the afternoon.

- The mass book used by the Pope and Bishops will be specially printed and bound (200 copies are needed).

Interested printers will be supplied with the booklets in electronic format for final proof reading before printing as soon as the texts become available.

A final list of expressions will be then drawn up.

Expressions should then show prices, paper to be used and delivery dates.

Sponsorships are much appreciated and will be acknowledged in a very appropriate way.
